

## TRANSITION TOWN DORCHESTER

### FINANCIAL STATEMENT, JANUARY 2008 – APRIL 2009

Many of our members and supporters have been very generous, giving donations, and paying for some items out of their own pockets. We do intend to be self-sufficient before long, and to have enough funds to pay for some substantial initiatives. To this end Linda Screen has been applying to certain bodies for grants, and we have just heard that the Dorchester Car Boot Charity has granted us £180. Many thanks to Linda and the trustees of the charity. Before that we were slightly in the red.

We now have a bank account with the Co-operative Bank.
